

Donation Request Form

Thank you for considering Moxie Kitchen + Cocktails for your charity or fundraising event. We are a forward-thinking independent restaurant that seeks to create meaningful and authentic interactions with our guests and within our community. It is our desire to serve and to be positive contributors in as many ways as possible.

Every request we receive is given careful consideration. However, given the large number of requests we receive, we regrettably cannot fulfill all of them. Special consideration is given to local organizations that fight hunger, support nutrition and food education programs, or focus on environmental sustainability, which are the pillars of our Full-Circle Approach. All requests must be submitted by completing the form below. We do not accept any requests via phone or fax.

Before submitting your request, please review the following:

- Please allow a minimum of 30-45 days for requests to be considered.
- Moxie Kitchen + Cocktails is able support requests for in-kind donations only.
- All in-kind donations requests must be submitted via email or mail for the request to be considered. If your request is approved, you will receive a confirmation via email within 14 business days of the submittal of your request
- Due to the high volume of requests received, we are unable to confirm the status or receipt of requests by telephone.
- Special consideration will be given to organizations that operate in Jacksonville as well as those that provide food, health and nutrition education programs, or focus on environmental sustainability. While we work hard to support as many organizations as possible, we are especially appreciative of those who in turn support us! Please be sure to mention in your application if your organization has selected us for business or group dining, or if you are a frequent guest at the restaurant.
- To better serve the entire community, organizations are eligible to receive a donation from Moxie Kitchen + Cocktails once in a 12-month period from the date of the donation request.
- If approved, arrangement for pick-up / mailing of donations will be coordinated specific to each request.
